

COSPAR-K

A FREE Space STEM Event

29 Jan - 2 Feb 2021

ICC Sydney & Virtual

www.cospar2021.org/stem

In partnership with

Education

GET INVOLVED!

Coming this summer, COSPAR-K: A Free Space STEM Event is running in partnership with the **NSW Department of Education's** STEM Industry School Partnerships (SISP) Program.

The ICC Sydney will be home to our **Awesome Activities Arena** and **Spectacular Speakers Schedule**. There's something for everyone, whether you can attend in-person or would like to connect in virtually via **COSPAR-K TV powered by Microsoft**.

The best part is tickets are 100% **FREE!**

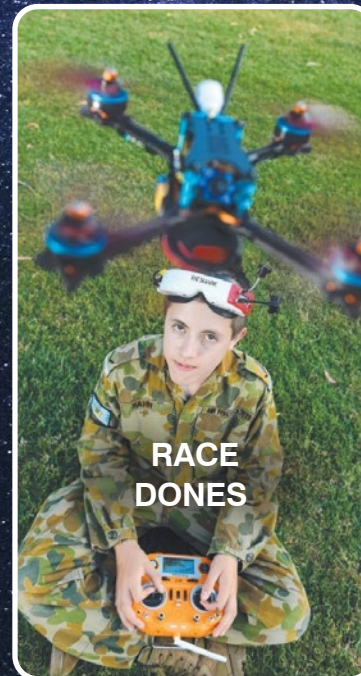

Awesome Activities Arena

Parkside Ballroom,
ICC Sydney

Our activities are **out of this world awesome!** This is a great opportunity to discover the latest innovations and **learn through fun and exploration**.

Students get free rein to **choose their own outer worldly adventure**.

Spectacular Speakers Schedule

Pymont Theatre, ICC Sydney

Our speaker line-up is truly **amazing!** We've curated this speaker program to highlight the importance of STEM and why a career in Space STEM is a future to seriously consider.

Keynotes, Power Talks and Panel Discussions will have you inspired, challenged and leaving with practical tips and tools to take the next step in Space STEM.

Emily Calandrelli
The Space Gal
Emily's Wonder Lab
on Netflix
